MANUFACTURING TRADITION AND CONTEMPORARY DESIGN CONVERGE, SHAPING SPACES THAT FEEL AT ONCE OPEN AND COHERENT.

L'Indoor secondo Flexform è un universo coerente, in cui ogni elemento partecipa a un disegno d'insieme armonioso. Divani, poltrone, tavoli, sedute, letti e complementi formano un sistema pensato per creare ambienti completi, misurati e riconoscibili.

La filosofia progettuale si fonda su proporzioni calibrate, strutture leggibili e dettagli che rivelano una competenza tecnica evoluta. La componente sartoriale, dalle cuciture ai profili in gros grain, dalle lavorazioni del cuoio alle finiture metalliche, esprime una cultura del prodotto che unisce precisione industriale e sensibilità artigianale. Gli ambienti della casa si sviluppano come parti di un racconto continuo, articolato tra spazi di relazione e dimensione privata. Gli arredi definiscono un paesaggio domestico coerente, fatto di proporzioni misurate, linee essenziali e continuità visiva. Il progetto prende forma nell'incontro tra struttura e morbidezza. Basi metalliche, dettagli in cuoio, cuciture sartoriali e profili in gros grain esprimono una competenza manifatturiera che eleva la funzione a linguaggio formale. La collezione comprende icone consolidate e nuove proposte capaci di articolarsi in configurazioni lineari o complesse. La modularità diventa strumento progettuale, guidato da equilibrio compositivo e controllo delle proporzioni. I materiali nascono da una selezione rigorosa: legni pregiati, metalli con finiture sofisticate, pelli di alta qualità, tessuti esclusivi sviluppati per garantire qualità e performance nel tempo. Ogni scelta riflette un'idea di eleganza sobria, lontana dall'ostentazione, fondata sulla coerenza.

L'Indoor Flexform è un linguaggio riconoscibile e misurato, capace di attraversare il tempo mantenendo intatta la propria identità. In una dimora urbana o in una residenza immersa nel silenzio, gli arredi Flexform disegnano scenari di equilibrio e intimità, dove il progetto accompagna con naturalezza i gesti quotidiani.

Flexform's vision of the interior is a cohesive universe in which every element participates in a harmonious overall composition. Sofas, armchairs, tables, seating, beds, and accessories form a system designed to create complete indoor spaces – understated, balanced, and immediately recognizable. Its design philosophy rests on calibrated proportions, decipherable structures and details that reveal highly advanced technical expertise. Tailored elements – from stitching to grosgrain piping, from cowhide craftsmanship to refined metal finishes – express a product culture that blends industrial precision and artisanal sensibility. Domestic settings unfold, like chapters in a continuous narrative, communicated between spaces for gathering and private moments of retreat. The furnishings define a cohesive domestic landscape shaped by discreet proportions, clean lines, and visual continuity. Design takes form in the space where structure and softness converge. Metal bases, cowhide details, tailored stitching, and grosgrain piping convey the kind of masterful craft that elevates function to formal language. The collection encompasses established icons and new products that can stand alone or be arranged in more complex configurations. Modularity becomes a design mechanism, guided by compositional balance and strict control of proportions. Materials originate from meticulous selection: premium wood, metals with refined finishes, deluxe leathers, and exclusive textiles developed to ensure enduring quality and performance. Every choice reflects an idea of understated elegance – far removed from ostentation, grounded instead, in consistency. Flexform Indoor is a recognizable yet unobtrusive language, capable of transcending time while keeping its identity intact. Whether in an urban residence or a home immersed in silence, Flexform furnishings create landscapes of composure and intimacy – environments where design accompanies daily gestures with natural ease.

UN'AMPIA VETRATA CONNETTE LIVING E GIARDINO, MENTRE SUPERFICI MATERICHE E LEGNI PROFONDI DEFINISCONO UN'ATMOSFERA CALDA E ARMONIOSA. LIFESTEEL ESPRIME IL SUO CARATTERE NEL CONTRASTO TRA LA LEGGEREZZA DELLA STRUTTURA IN METALLO E LA MORBIDEZZA DEI CUSCINI IN PELLE. LA COMPOSIZIONE LINEARE SI AFFIANCA AD ALTRI COMPONENTI DELLA COLLEZIONE, ALTERNANDO CONVIVIALITÀ E PAUSE INTIME E ASSICURANDO CONTINUITÀ TRA LIVING E DINING IN UN EQUILIBRIO SOFISTICATO E ACCOGLIENTE.

A LARGE WALL OF WINDOWS ESTABLISHES A SEAMLESS CONNECTION BETWEEN LIVING AREA AND GARDEN, WHILE TEXTURED SURFACES AND DEEP-TONED WOODS SHAPE A WARM, COMPOSED ATMOSPHERE. LIFESTEEL EXPRESSES ITS CHARACTER THROUGH THE CONTRAST BETWEEN THE LIGHTNESS OF ITS METAL FRAME AND THE SOFTNESS OF ITS LEATHER CUSHIONS. THE STAND-ALONE SOFA INTEGRATES WITH OTHER ELEMENTS FROM THE COLLECTION, ALTERNATING SPACES FOR GATHERING WITH MORE INTIMATE PAUSES, AND ENSURING CONTINUITY BETWEEN LIVING AND DINING IN SOPHISTICATED, INVITING HARMONY.
